LAGREIN

Gravità 2021

•

In science, gravity is expressed through attraction. It decreases with distance, but has unlimited dimension. Similar to Lagrein: its body, acidity and above all its incomparably intense colour confer infinite depth.

VARIETY

Lagrein

ALCOHOL

13% vol.

ACIDITY

5 g/l

RESTZUCKER

0,5 g/l

VINIFICATION

The Lagrein grapes are gently separated from the stems and then fermented spontaneously on the skins for 3 weeks. The wine then matures for 18 months in 500l wooden barrels (Tonneaux).
